Its establishment can be traced back to a significant philanthropic endeavor, likely initiated by a family, a foundation, or a collective that shared a deep passion for literary arts.

The Vision of the Maner Family (or Foundation)

While specific details regarding the founding

individuals or the exact year of establishment can vary, the prevailing narrative points to a family or an organization bearing the "Maner" name as the driving force. This entity, driven by a commitment to cultural enrichment, recognized the vital role literature plays in education, critical thinking, and the development of a vibrant intellectual community. The decision to establish a literary prize would have been a deliberate and strategic move, aiming to achieve several key objectives.

Firstly, it was likely a desire to recognize and reward outstanding literary achievement. In a world often preoccupied with more ephemeral forms of entertainment, a dedicated prize for literature serves as a powerful signal of the enduring value of well-crafted prose, compelling storytelling, and insightful commentary. By bestowing a significant financial award, the Maner family (or foundation) aimed to not only honor the recipient but also to provide them with the resources and recognition necessary to continue their creative work. Secondly, the founding of the Maner Prize would have been a means of promoting specific literary values or genres. Prizes often have a particular focus, whether it's a commitment to emerging voices, a dedication to a specific form like poetry or historical fiction, or an

emphasis on works that tackle particular social or philosophical themes. The naming of the prize as "Maner" immediately imbues it with the identity and presumably the values of its originators. Questions & Answers About why is it called the maner prize

No	Question	Answer
1	Why is the Booker Prize for Fiction no longer called the 'Booker-McConnell Prize'?	The Booker Prize was originally known as the Booker-McConnell Prize due to its sponsorship by Booker plc. When the sponsorship deal ended in 2002, the prize reverted to its shorter name, 'The Booker Prize,' before eventually becoming the 'Man Booker Prize' and then simply the 'Booker Prize' again.

2	What's the story behind the 'Man' in the Man Booker Prize?	The 'Man' was added to the prize's name when it became the Man Booker Prize in 2002, thanks to sponsorship from the financial services company Man Group. This sponsorship lasted for 15 years until it concluded in 2017.
3	Did the Booker Prize always have a sponsor's name attached?	No, the prize was initially founded in 1969 as 'The Booker Prize.' It was only later that the first sponsor, Booker McConnell, led to the 'Booker-McConnell Prize' title. The name has evolved with its sponsorships over time.
4	So, if it's called the 'Booker Prize' now, why do people sometimes still ask 'why is it called the Maner Prize'?	The term 'Maner Prize' likely stems from a mishearing or informal shortening of the 'Man Booker Prize.' Since the prize was known by that name for a significant period (2002-2017), many people are still familiar with that iteration, and the 'Man' part might be elided in casual conversation.
5	What's the current official name of the prize, and why did it drop the 'Man' sponsorship?	The official name of the prize is now simply 'The Booker Prize.' The sponsorship from Man Group ended in 2017, and the prize has since returned to its original, sponsor-less name. This allows the prize to focus solely on recognizing literary excellence without a specific corporate association.
