"The Girl in Room 105" and the Complexities of Relationships

Published in 2018, *The Girl in Room 105* marked a departure from Bhagat's typical lighter fare. While it still features a relatable protagonist, Keshav Kumar, a techie struggling with life and love, the novel introduces elements of mystery and darker undertones. The narrative explores themes of unrequited love, past relationships, and the unexpected consequences of choices made. The presence of a murder mystery injects a new layer of suspense, moving beyond simple romantic entanglements. This novel showcases Bhagat's attempt to weave a more intricate plot, demonstrating a desire to keep his storytelling fresh and engaging for an audience that has grown with him.

"Sky of Angels" (Published as "The Girl Who Loved Me" in English translation) and the Impact of Social Media

Though not a recent publication in its original Hindi, the English translation *Sky of Angels* (or *The Girl Who Loved Me*) by Bhagat's co-author, Anuj Dhar, explores the pervasive influence of social media and online interactions on modern relationships. While not solely a Chetan Bhagat novel, it taps into themes he has previously explored regarding the impact of technology on young lives. Bhagat's earlier works hinted at these shifts, but the explicit examination of how social media shapes perceptions and interactions is a natural progression.

"One Arranged Murder" and the Nuances of Arranged Marriage

This work tackles the stereotypes and realities of arranged marriages, offering a nuanced perspective that acknowledges both its challenges and its enduring appeal. Bhagat uses the murder mystery trope to explore the anxieties and expectations surrounding marital relationships in contemporary India, offering a blend of social commentary and thrilling plot. Character Archetypes: The Evolving Everyman

Chetan Bhagat's characters have always been his strongest suit. He excels at creating protagonists who feel like the "everyman" or "everywoman" next door, making his stories instantly relatable. However, a closer look at the characters in his latest novels reveals a subtle evolution in their complexity and motivations.

The Persistent Everyman: Keshav Kumar

The recurring presence of Keshav Kumar in *The Girl in Room 105* and *One Arranged Murder* is a deliberate choice by Bhagat. Keshav embodies the quintessential Bhagat hero: an educated, urban Indian grappling with career uncertainties, romantic frustrations, and the everyday pressures of life. He is not an extraordinary hero but an ordinary individual thrust into extraordinary circumstances. This consistency allows readers to connect with a familiar voice while witnessing his growth and adaptation to increasingly complex situations. His anxieties about marriage, career, and societal expectations mirror those of a significant portion of his target audience.

Introducing Nuance and Agency

While the core "everyman" archetype remains, Bhagat's recent characters often display a greater degree of agency and internal conflict. They are not merely passive recipients of life's events but active participants who make choices that have tangible consequences. In *The Girl in Room 105*, Keshav's journey involves confronting his past and making difficult decisions. Similarly, in *One Arranged Murder*, the protagonists are not just observers of a crime but actively seek to unravel the truth, showcasing a burgeoning sense of responsibility and courage. This development in characterisation suggests Bhagat's understanding that his readers, too, are seeking more than just escapism; they are looking for narratives that reflect a growing maturity and desire for self-determination.

The Female Voice: Growing Prominence

While Bhagat's earlier works often featured prominent female characters, his recent novels seem to be placing more emphasis on their roles and perspectives. In *The Girl in Room 105*, the titular character, Anamika, though absent for much of the narrative, is the catalyst for the entire plot, and her story is revealed through flashbacks and investigations. In *One Arranged Murder*, the female characters are not just romantic interests but are integral to the plot and exhibit their own strengths and vulnerabilities. This increasing prominence of female voices reflects a broader societal trend and Bhagat's acknowledgement of the evolving role of women in India.
